

John 21:25

Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would not have room for the books that would be written.

If we are following God we will face many obstacles that are too big for us to overcome. In the wild there are many dangers that we simply cannot survive without God. But entering into such a dangerous life can be scary if we forget just how amazing God really is.

Use the space provided to come up with 30 words or phrases to describe God. You can use names of God, phrases you may know from the Bible, or anything that you feel describes God.

Once you get 30 look back at your list and think that everything that you wrote isn't even a fraction of all that God really is. This is the God that is on our side—who goes with us "into the wild."
