

*Instructions:*

*It is time to stop talking about making a difference and start actually making a difference. So here is your motivation this week. Spend the week looking for ways that you can be a positive influence in your school. When you complete one of the activities below write the date that you completed it. On the back of this sheet write a quick note to remind you the details. Bring this back next week with a Bingo (5 in a row) for a prize. Be ready to tell about your week.*

# MAKE A DIFFERENCE BINGO
